

SERVICE AGREEMENT

This sample contract is fictional and prepared for document-analysis testing only.

This Service Agreement is entered into between DataFlow Analytics Ltd. ("Provider") and LegalCorp GmbH ("Client") as of 1 June 2026.

1. Services

Provider shall provide data processing, reporting, and dashboard support services for Client. Provider may use subcontractors for technical hosting and support where reasonably necessary.

2. Fees and Payment

Client shall pay EUR 18,000 per contract year. Provider may increase the service fees at any time by giving written notice, and such increase shall apply immediately to all open invoices and future services.

3. Term and Renewal

The initial term is twelve months. The Agreement automatically renews for successive twelve-month periods unless either Party terminates at least 90 days before the renewal date. Provider is not required to send any separate renewal reminder.

4. Termination

Provider may terminate this Agreement without notice if it determines, in its sole discretion, that continued service delivery is commercially inconvenient or technically burdensome.

5. Liability

Provider's total aggregate liability under this Agreement shall not exceed EUR 1,000, regardless of the contract value, claim type, or number of incidents.

6. Personal Data

If Provider processes personal data on behalf of Client, Provider shall implement reasonable technical and organizational measures. The Parties will cooperate in good faith on data protection matters.

7. Governing Law

This Agreement is governed by the laws of Austria. The courts of Vienna shall have jurisdiction.
