

EMPLOYMENT CONTRACT

This sample contract is fictional and prepared for document-analysis testing only.

This Employment Contract is made between RiverTech Solutions GmbH ("Employer") and Alex Morgan ("Employee") as of 15 June 2026.

1. Position and Duties

Employee is hired as Data Operations Analyst. Employee shall perform reporting, quality-control, and data documentation tasks as assigned by Employer.

2. Working Time and Salary

The regular working time is 38.5 hours per week. The monthly gross salary is EUR 3,200, payable fourteen times per year subject to applicable payroll rules.

3. Workplace Changes

Employer may unilaterally amend the workplace, reporting line, job title, bonus structure, and material duties at any time without Employee consent if Employer considers such amendment useful for business operations.

4. Termination

Employer may terminate the employment relationship immediately and without prior notice for operational convenience. Employee must give three months' prior written notice to terminate the employment relationship.

5. Training Costs

If Employee resigns within 36 months after any internal or external training, Employee shall reimburse 100 percent of all training costs, regardless of whether the training was mandatory or primarily beneficial to Employer.

6. Confidentiality

Employee shall keep all business, financial, customer, and technical information confidential during and after employment.

7. Data Protection

Employer shall process Employee personal data only where necessary for employment administration, payroll, compliance, and IT security.
